Gladiator Band Camp is offered to all incoming 4th –8th graders. Students will work together as well as in groups sorted by individual skill level and experience. The Camp is open to beginning students looking to get a head start on their instrument. Please note that all students need to provide **their own instrument** except percussion.

Activities: We will work on fundamentals such as breathing, developing a good tone, listening skills, and note reading. We will also watch videos of professional groups and individuals.

Gladiator Chorus Camp is open to incoming 4th-8th graders with a passion for singing. During the school year, students are welcome to join our Gladiator Singers group which is an extracurricular chorus made up of only 4th-8th graders.

Activities: Students will work on sight reading skills, listening skills, and diction. We will sing songs in different styles from pop tunes to classic literature, and even do some solo work.

Fee: \$100.00 per student for 1 camp
\$175.00 for both camps
